For large events (from 100 to 5,000 people), we recommend our full service package or our Deluxe Service option, which consists of in addition to your entrée selection; a choice of three sides, Hamburgers, Hotdogs, Chips, Iced Tea or Fresh Squeezed Lemonade and a Dessert. We'll come to your party supply you with buffet tables, buffet tableclothes and chafing dishes. We will then set up a buffet line, pull the BBQ in front of your guests & clean up the mess. It's great food, a good show, easy & quite inexpensive.

If your party is smaller than 100 guests, please consider ordering a [Sullivan's Party Pack](#) It's less expensive & a great way to feed folks without having to pay service charges!

Let our catering staff help you plan your party. Our staff will prepare a written proposal explaining exactly what food & service you will receive & how much it will cost.

There is a \$235.00 minimum service charge or 15% of the cost of the food. This covers the charges for the staff to set up the buffet line, pull the BBQ, keep the chafing dishes full & clean up the mess. We plan to serve for 2 hours. The serving time may be extended for an additional charge.

Sorry, we don't serve beer or alcoholic beverages. Our standard décor is red & white checkered tablecloths.

Whenever you need to feed 20-100 people, a BBQ Party Pack will give you plenty of food for the BEST price. The Party Pack consists of your choice of meat or meats, Coleslaw, Baked Beans, Buns and our award winning sauces. BBQ is great for any "get-together": family events, graduations, rehearsal dinners, office lunches, training sessions, tail gate parties, picnics, promotion/retirement parties or church events

We make real pit BBQ, using hickory wood to smoke our meat. No preservatives are added & it is not served swimming in sauce. Each day we make our sides, sauces, dressings, pies & cobblers from scratch using fresh ingredients. Nothing is canned or microwaved. Rest assured that you will receive excellent value for your money, plenty of home cooked food & our "Best BBQ in the Center of the Universe".

Party Packs are limited to a minimum of 20 people & a maximum of 100 (whatever the number of people, the count must be divisible by 5) & 24 hours notice is required. In order to maintain the food at the temperatures required by the health department until serving time, we will pack your food in special thermal boxes that will hold constant hot/cold temperatures for a minimum of three hours. When ready to serve, just remove the aluminum pans from the boxes, set them on the table & dig in. Hot food will be **hot** & cold food **cold**.

E-mail us or call work days (9:00 AM - 5:00 PM) & let us help you work out the details. We will be happy to send you a written confirmation of your order. Your Party Pak may be picked up, or for an additional charge, delivered.

Prices subject to change. Payment must be made by credit card prior to deliveries.
We accept Visa, MasterCard & American Express..
